

UNICORN TEARS CREATOR LAUNCH PACK

Installable demos loaded with premium drop-ins for creators, zero-cost forever usage rights for the provided assets, and one-time login access for updates, downloads, and affiliate management.

Premium drop-ins preloaded

One-time creator login links

Affiliate portal + commission tracking

CREATOR PROMISE

Each invited creator receives a fully installable demo package with curated premium drop-ins, setup guidance, and a permanent right to use the included premium assets in their own workflow.

OFFICIAL LANGUAGE

Use **premium drop-ins** as the official term. This package should never be described as plugins in creator-facing copy.

ACCESS MODEL

- One-time login links to the site for downloads and updates.
- Update access for all premium drop-ins included with the demo.
- Creator affiliate dashboard at **<creatorchannelname>.unicorntears.com**.
- Revenue share: 25% for the first year, then 10% for the referred user's lifetime.

Recommended CTA: invite creator, send one-time login link, deliver demo, activate affiliate storefront, and follow up with launch window usage notes.

DISTRIBUTION TARGETS

Creators should be able to test, stream, and publish with the demo immediately, then upgrade into the broader Unicorn Viz release ecosystem as needed.

LAUNCH VISUALS

NARRATIVE

The beat is not just heard, it is designed, performed, and worn. The premiere turns every channel into one coordinated experience.
