

DJ UNICORN TEARS

A neon-soaked house, EDM, and techno world premiere built for the dancefloor, the timeline, and the live chat. The first public launch target is always **Rumble**.

Rumble-first premiere

Music + visuals + merch

Free downloads + premium drops

WHAT DROPS

- World premiere livestream on **Rumble**.
- Free starter downloads and teaser cuts.
- Premium drop-ins, show visuals, and exclusive product bundles.
- Merch capsule: posters, hoodies, and full apparel drops.
- Public video rollout across YouTube, X, Odysee, Brighteon, Twitch, and Kick.

This is not a quiet release. This is a full-volume visual rave launch designed to hit hard, move fast, and keep the floor burning.

LAUNCH VISUALS

NARRATIVE

The beat is not just heard, it is designed, performed, and worn. The premiere turns every channel into one coordinated experience.

PRODUCTS AT LAUNCH

Rumble

Odysee

Twitch

Fresh screenshot captured today for launch collateral.

Primary visual identity.

Artist-side performance energy.

PUBLIC MESSAGING

- Future-club visuals with a high-voltage rave aesthetic.
- Music drops are paired with cinematic motion, neon, and live performance culture.
- Fans can grab free content, level up to premium packs, and buy merch straight from the launch ecosystem.
- Every post should point people toward the **Rumble premiere** first.

CAMPAIGN RHYTHM

- **Pre-launch:** teaser clips, countdowns, and short-form hype.

- **Premiere week:** live set, heavy social cadence, clip cuts, and direct calls to join the premiere.
- **Post-launch:** keep the energy high with repeat drops, merch waves, and follower conversion.
